Central ESD, &amp; Jake von Scherrer, CMAA</b></p> <p>The flagship course of Leadership Training serves as an overview for interscholastic athletic administration. This course introduces the philosophy of educational athletics, then focuses on the roles of the NIAAA, the NFHS, the State Athletic/Activity Associations, and the State Athletic Administrator’s Associations. The course also previews the NIAAA Leadership training and Certification Programs. It is a prerequisite for all four levels of certification and includes study materials for the CAA exam. Required for: LTI instructors and all certifications.</p>	<b>Landmark I</b>
	<p><b>LTC 720 Building a Character Based Athletic Program</b>  <b>Tim Sam, CMAA, N. Valley HS, Dave Hood, CAA, OADA Exec. Dir.,            Patrick Grady, CAA, Ashland HS</b></p> <p>Character-based school athletics can truly succeed only when the entire community—School Board, Superintendent, Principal, Parents and Boosters—support the values and views lived out daily by students in the school setting. This course shares the strategies necessary to implement programs within the athletic community of athletes, coaches, athletic department personnel, and school faculty. Teachable moments offered through athletics prepare students for the future, especially when everyone supports and reinforces those life lessons. This course will empower the athletic administrator to help motivate in order to be a key figure in helping the school community to understand and embrace important character expectations for the school program.</p>	<b>Landmark II</b>
	<p><b>LTC 633 Admin. of Interscholastic Athletic Programs for Students with Disabilities</b>  <b>Kris Welch, CMAA, OSAA, Dennis Burke, OADA Mentor Coordinator</b></p> <p>As a result of the U.S. Department of Education communication and clarification of Section 504 of the Rehabilitation Act of 1973, each school district is encouraged to include disabled students in school extracurricular athletic programs. This course content and model plans will provide a guide for school districts to implement opportunities for disabled students to participate at the fullest extent of their abilities. All enrollees will strongly benefit because the course alerts and educates school and athletic administrators regarding the school district’s responsibilities in providing opportunities for disabled students.</p>	<b>Heritage I</b>

**LTC 628 Mental Health & Wellness for the Student Athlete**

**Landmark I**

**Monica Maxwell, CMAA, OSAA, Lorena Woods, Stanfield Secondary School**

Mental illness has been described as one of the greatest silent epidemics in our country. Student-athletes can be vulnerable to a number of mental illnesses due to the pressures they face while balancing their athletic and academic obligations and still maintaining a balance in their daily lives. This course is designed to remove the stigma of mental illness and assist athletic administrators in understanding the causes and how their student-athletes could be affected. The objective for the course is to raise awareness of this social issue and explain to athletic administrators how to educate their coaches and team captains in order to provide support for all of their student-athletes.

**LTC 726 Student Leadership Development**

**Landmark II**

**Missy Smith, CMAA, OSAA, Doug Thompson, Forest Grove HS**

Student Leadership Development is an essential component to any successful education-based athletic program. In this course, numerous ways to actively develop leaders in your local school and at the state level will be covered. Topics include: captains council, student leadership workshops, service learning, and local and statewide student summits. The society in which we live is ever-changing and so are our student-athletes, resulting in a necessity to find new ways to teach and challenge students to be the next generation of leaders. Enrollees that will derive the greatest benefit include educators who seek ideas and materials to help develop student leadership in their respective school, state, and nation.
