

# AD CHAT & CHEW

## 2020-21 Series

Noon - 1:00pm

**Purpose:** To provide a forum for sharing, learning and growing as Athletic Administrators. ALL are welcome, and we highly encourage New Athletic Directors and their Mentors to attend.

MOST sessions will have a theme, with 20-30 minute presentations followed by a Q&A session. Session topics will be fluid and dependent on the input from participants, hot topics, etc. We will send out a link to each session, and will post that link and recordings of each session on the OADA website: [www.OADAonline.org](http://www.OADAonline.org)
